DEDICATION

MR. LARRY SMITH

Students welcome the sound of his cheerful laugh because they know that he is a man who truly loves Sullivan High School.

In the six years he has been teaching here, he has succeeded in winning the respect of the faculty, administration, and student body.

He is the object of such respect and admiration not only because of his devotion to the school's band program but also because of his understanding nature, his friendly interest in the individual, his gratitude for and expectations of a hard worker, his persistent optimism, and his sense of humor.

These qualities are always evident whether in his office, in the band room, or on the marching field.

In light of his unselfish efforts and love for our school, the Eagle Staff takes great pride in dedicating the 79-80 yearbook to Mr. Larry Smith.

HOMECOMING WEEK IS WORK

The theme for Football Homecoming '79 was commercials, which was carried out during SPIRIT WEEK by different student activities each day. Monday was "Sock 'em Top 'em Day" with crazy socks and hats, Tuesday was "Eagles Do It in Style" with the students dressed in their best, Wednesday was "Ad 'em up Day" with everyone wearing t-shirts advertising something, and Thursday was the traditional "Black and Gold Day." On Friday the biggest and most spirited Homecoming parade ever seen hit the streets of Sullivan with a good crowd turning out to see it. Student Council won first prize for its float - "Eagles Are Proud As a Peacock," and Drama Club won the truck division with "Don't Pamper the Bearcats." The football game was a 28-15 victory over the Hermann Bearcats. By popular vote of the SHS students, Laura Boles was crowned queen of the festivities. The homecoming dance in the cafeteria was decorated with glass paintings and posters of commercials. Entertainment was provided by Starflight. The whole week was a huge success.

Cross Country had a record-breaking year. They were district champions and were represented on the State level. The team of Mike Graff, Bob Caldwell, Todd Deveydt, Chris de Leon, Jeff Koppelmann, Blake Key and Darryl Hylton placed sixth in the state competition. Bob Caldwell and Mike Graff were distinguished as All-District runners. Tom Thompson and Steve Lawrence were recognized for their efforts.

Mike Graff had an outstanding year on his own. He ranked first among his teammates to become an all-State runner and placed ninth in the state as an individual. He broke course records at the Steelville, Sullivan, Potosi, and Cuba Invitationals.

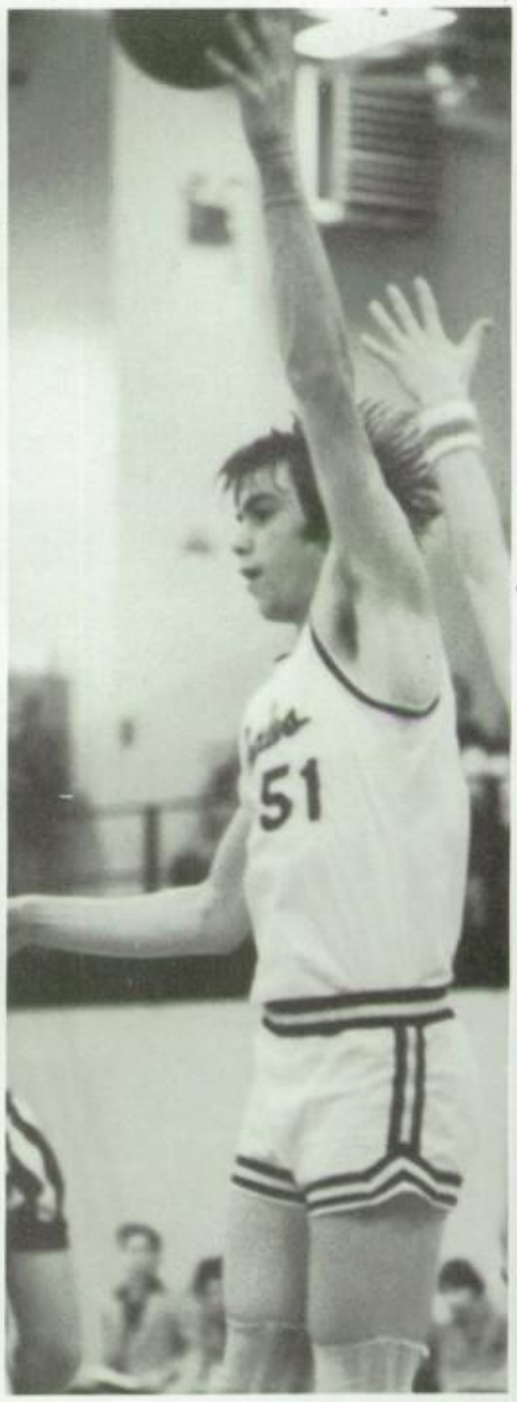
Coach Schaefferkoetter watches intently.

DEAN BRANDT

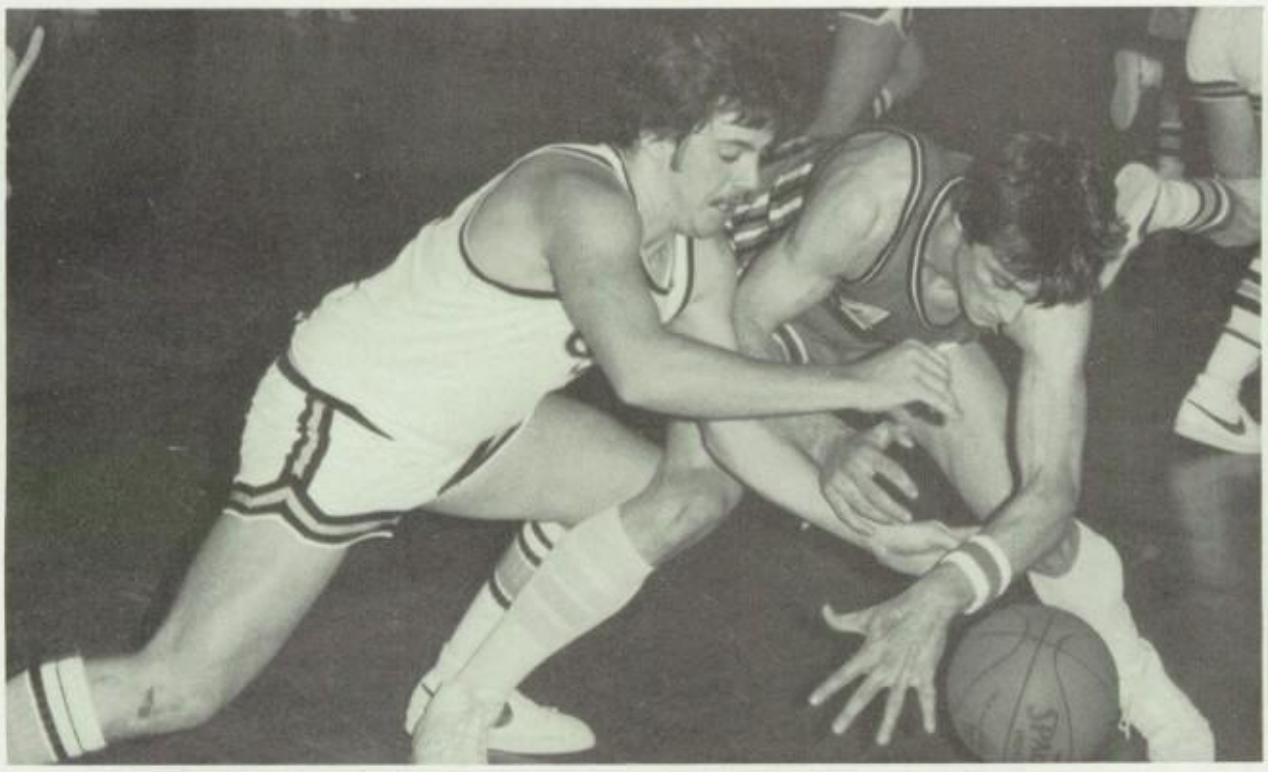
Basketball Is...

the sum of discipline, concentration, and endurance. . . . taking a tough second place at the Washington Tournament . . . beating Owensville by one point!!! . . . working as a team . . . being encouraged by Coach Schaefferkoetter . . . giving your all all of the time . . . BEING THE BEST IN THE CONFERENCE!!!!!!!!

BLAKE KEY

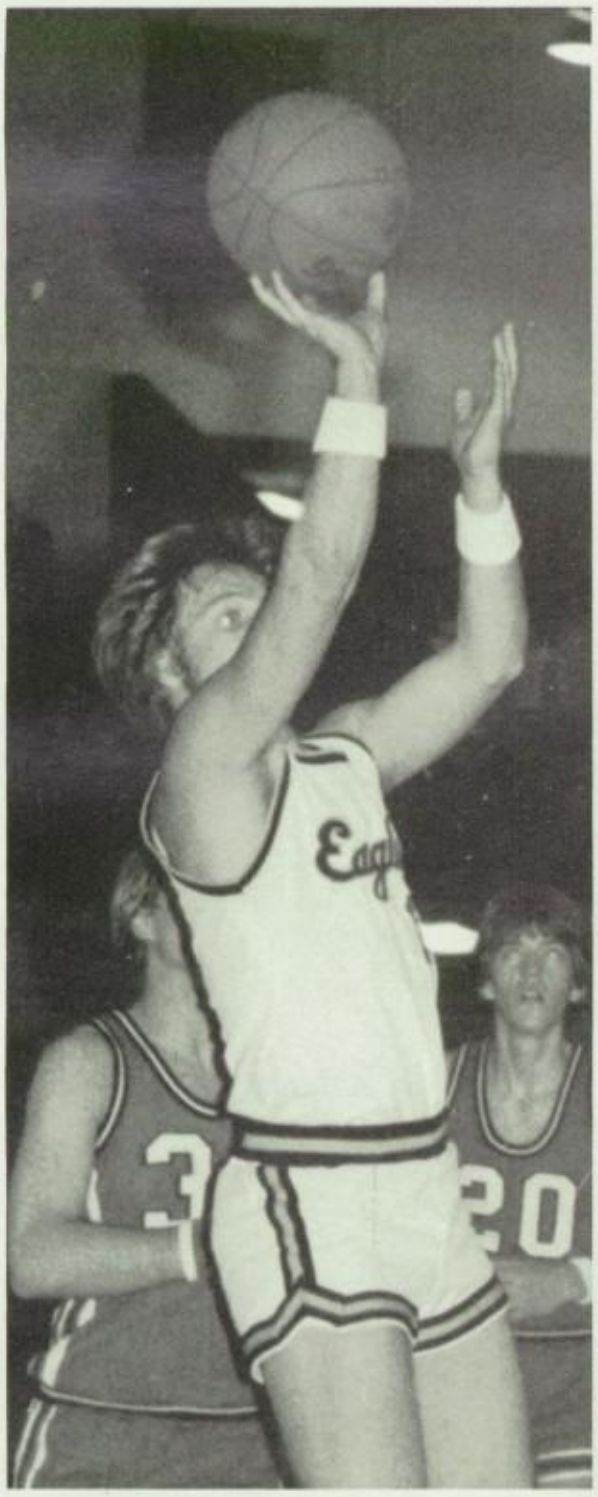


ROB SANDERS



Allen makes another great steal!

DAVE PRATER



Leroy makes a jump shot.

Once upon a time there was a basketball team. They were just a bunch of guys who played because they loved the game, but what they did during the 1979-1980 season will go down in the record books of Sullivan High. These guys by the names of Allen Brown, Dave Prater, Blake Key, Dean Brandt, Leroy Wiese, Rob Sanders, Tony Berti, Dave Mullen, Phil Coppage, and Kevin Juergens did something that had never been done in the history of this school. They won the CONFERENCE CHAMPIONSHIP, then the 3A REGIONAL TITLE, and finally the chance to go into state competition. Nothing or no one can ever take that away from us.

Not only did this handful of guys give us an exciting season that we will never forget but they also helped to build up the most enthusiastic, spirited crowds ever to watch a basketball game.

The accomplishments of the Varsity basketball team have reminded us that win or lose, team effort is the most important thing.

As we look back on this past school year, we see what we have accomplished and what we leave to be accomplished. Through many fun activities, Student Council has tried to make school a little more enjoyable. We sponsored many extra-curricular activities as well as a scholarship for further education to two students.

The student body and Student Council has an unlimited future in making Sullivan High School a better and more pleasant learning facility.

I would like to thank all students and Student Council members for their cooperation this year. I would also like to thank Mr. McDonald and Mr. Kinder and especially Mr. Becherer and Mrs. Hagan for their help and support this year.

FRIENDSHIPS

SENIOR SUPERLATIVES

Ingenious

Long nights of studying and hard work have paid off for Steve Stumpe and Mary Schaper. Their scholastic ability has kept them on the top of the Honor Roll. They have the determination to come out on top in classwork and anything else they set their minds to.

Musical

If there is a solo to be done, Laura Boles can sing it and John Ransom can play it. Their music abilities far exceed the average. They both took solo's to State competition last year and came back with high honors. There is only one word for their musical ability, OUTSTANDING!

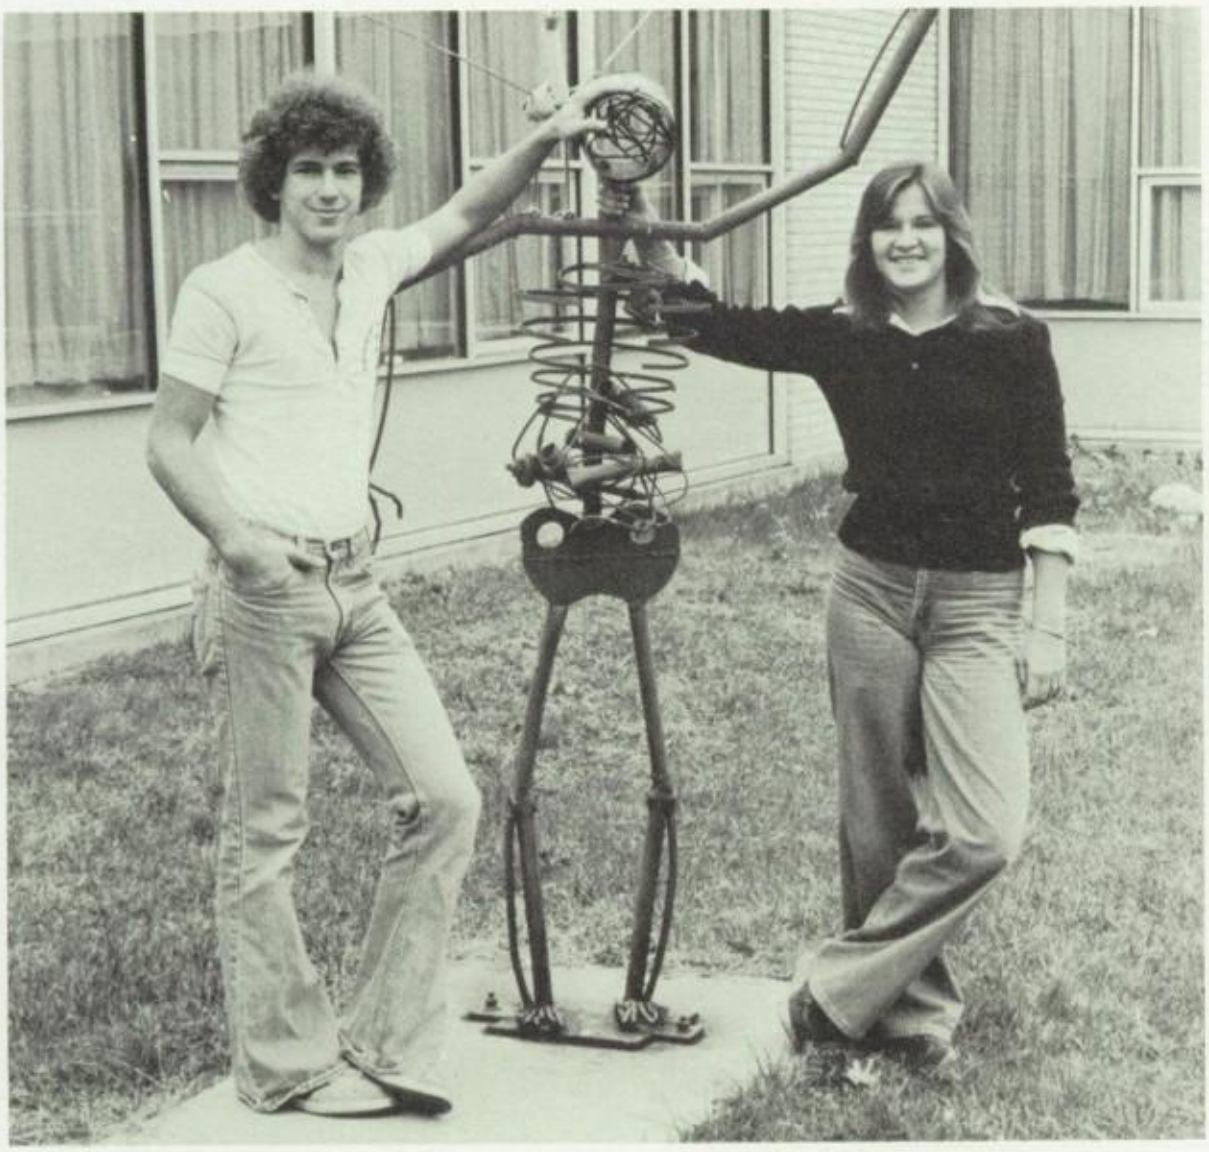
Entertainers

Talent (tal'ent)n. uncommon aptitude for some special work or activities. This definition fits Bud Harris and Tracy Tiefenbrunn. Tracy's continual I ratings at contests — district and state — have proven her to be No. 1 as a soloist. Bud's theatrical ability has been asserted with leads in OKLAHOMA and DINNY AND THE WITCHES. These talents will surely play a role in their futures.



Artistic

One day in the distant future you may get to see the famous Mona Lisa, but don't be surprised if sitting on each side of her are famous paintings done by Barb Jost and Blake Key. Their artistic capacity has developed into a skill that would blow Michaelangelo's mind. Barb and Blake should be proud of their artistic abilities and never stop using them.

MOST ATHLETIC

Among all the good athletes we have at SHS, Kelly Krueger and Evette Pounds stand above them all. Kelly's dynamic arm gave us touchdowns we will never forget. Evette's swift legs have won her medal upon medal in track and cross country. Howard Cosell might one day do the play by play for Kelly's first super-bowl game and, of course, for Evette's events in the 1984 Olympics.

FRIENDLIEST

If you're ever looking for a smile and a warm hello, you'll always get one from Mandy James and Gail Renick. They give the meaning of friendship a whole new outlook. You may have just flunked a test, but they will have you smiling and in a better mood after giving their attention and support. We just say THANKS for being there!

SENIOR SPIRIT

If we had a contest for the biggest yell for V-I-C-T-O-R-Y THAT'S THE SENIOR BATTLE CRY, the winners would be Becky Wensel and Scott Lambing. Becky cheers for her class at any event and Scott can always be heard in the crowd. They would both agree that their class comes first, and they'd do anything for it.

EAGLE SPIRIT

Without a doubt, when you think of someone with so much school spirit that their button's would burst, you would automatically think of Carl Sappington and Cindy Hassebroek. For the last 4 years they have faithfully given their time to the ballgames, social events, and student body. Their overall spirit has brought enthusiasm to many.

LITTLE RASCLES

Who took the fire extinguisher and sprayed the freshmen girls' P.E. class? Well, they didn't get caught, but it could have been Bill Machelett and Karen Fredeking. Their mischievous minds have led them into several funny experiences which they'll never forget. One day they will look back and laugh at their cut-ups. (If they aren't already!)

COUNTRIFIED

Bill Rapp and Barbara Piofcyk are definitely the types who get up at 5 in the morning to milk the cows, feed the pigs, and plow an acre of land. They enjoy the simple things and wouldn't trade any of it for anything. Bill and Barb will always remember their favorite word — REDNECK!!!

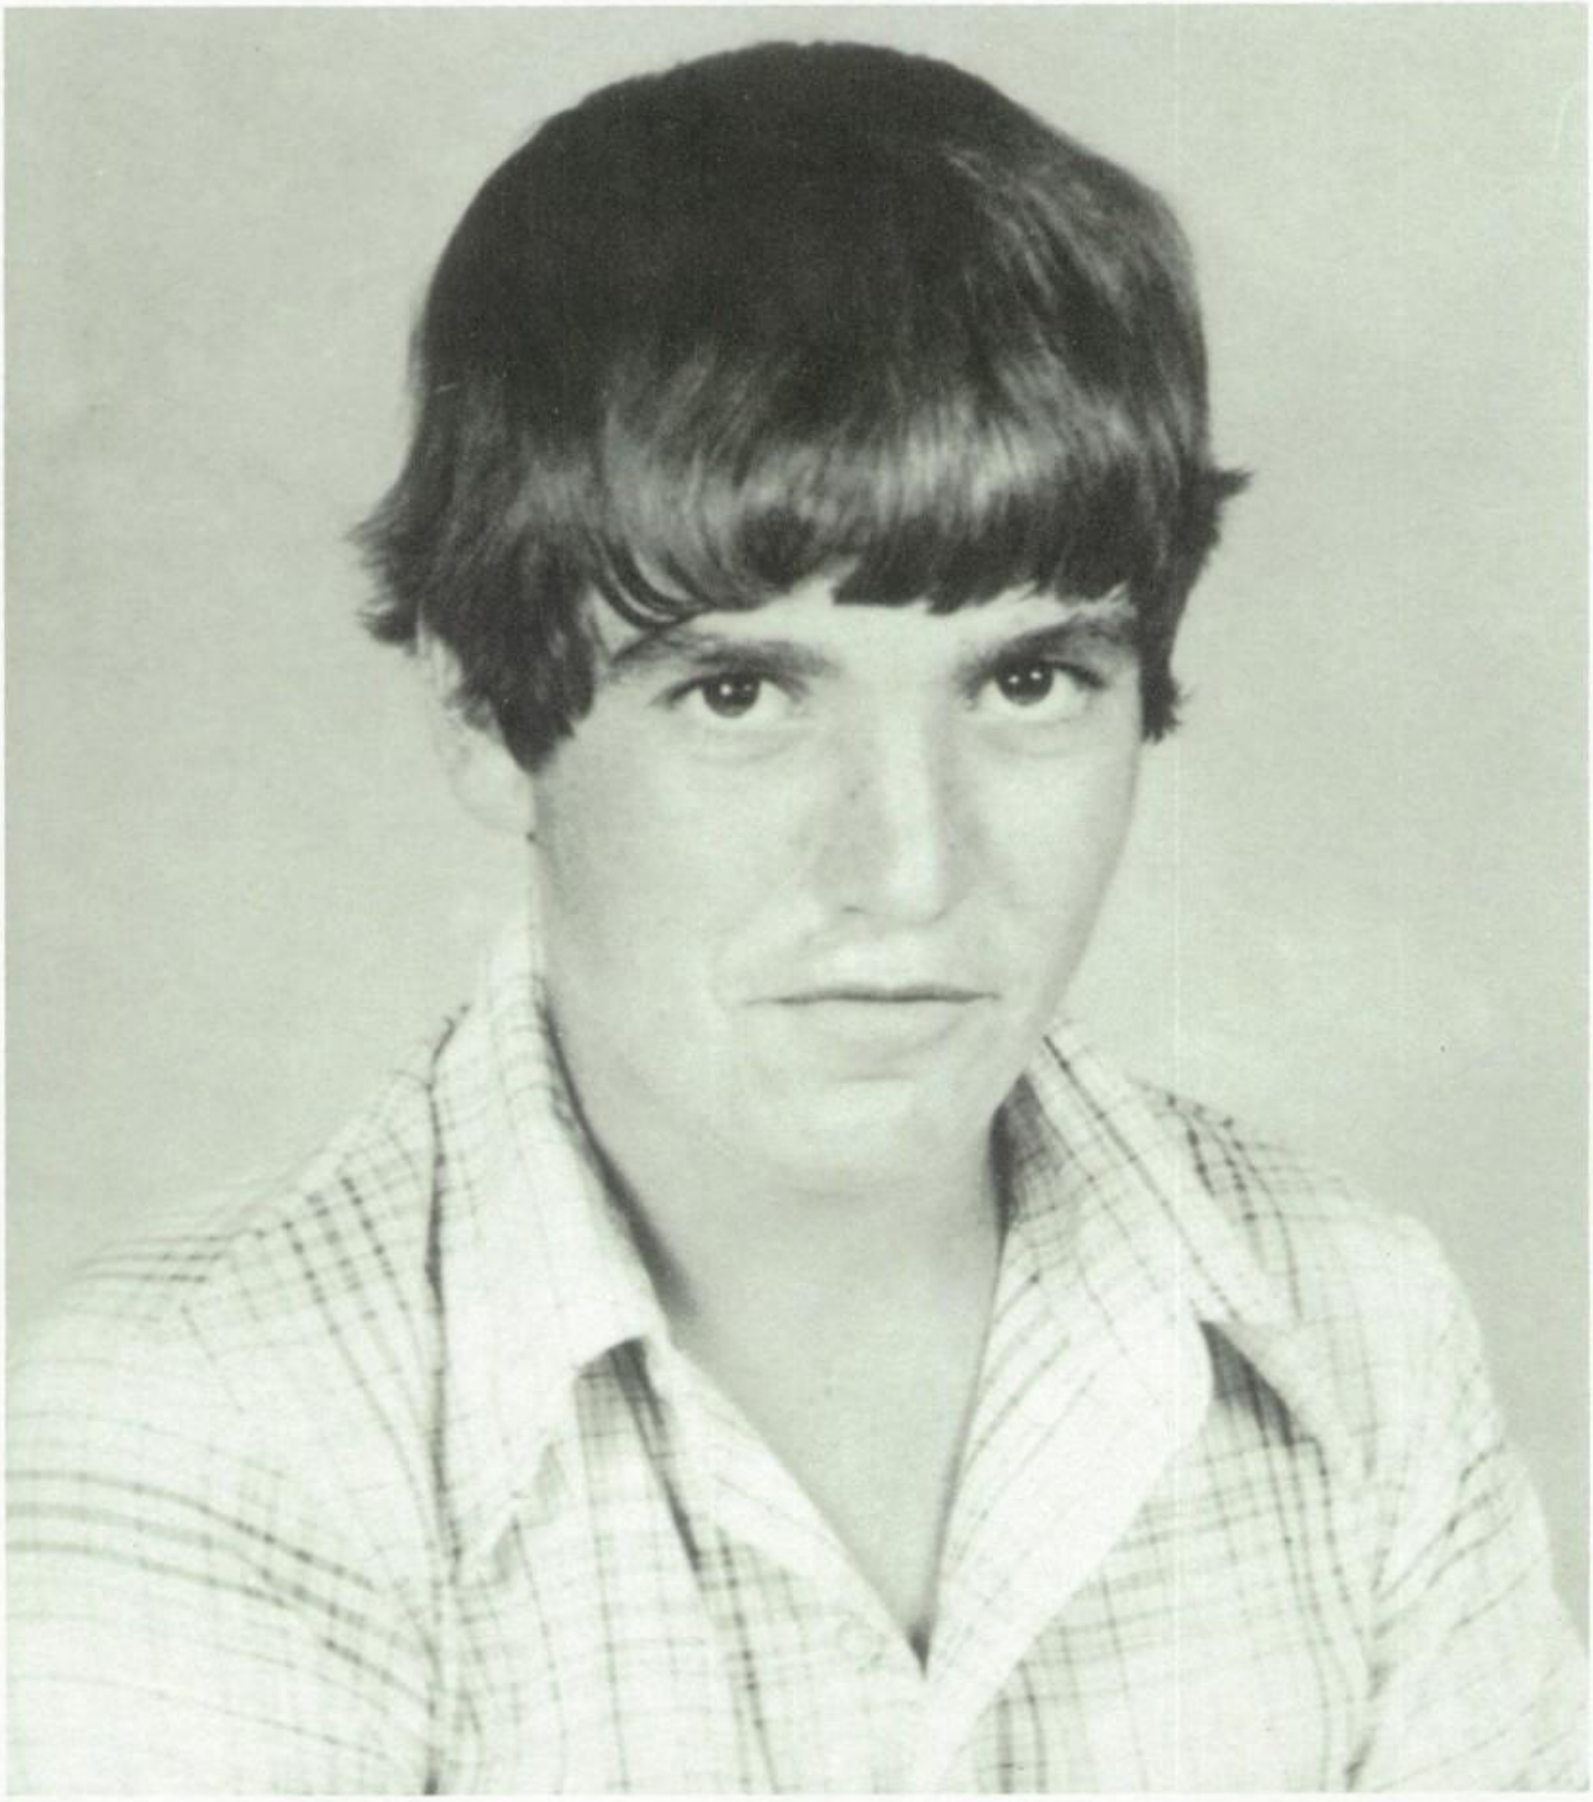
BRIAN HULSEY

1963-1979



Brian Hulsey . . . Whether a son, a brother, a relative, a friend, or just an acquaintance, he was very special to many people that knew him. Brian was just an ordinary country boy who enjoyed listening to country music, especially his tape "Redneck Mothers." Brian enjoyed being with his friends, working at Associated Crafts with all the guys, and attending FFA activities.

Wherever he went or whatever he was doing, he always had a smile on his face. Most people would say that his smile was the first thing they noticed about him.

Brian was a good, close friend to many people and was always there when you needed him.

Brian was proud to be a country boy and would stand up for whatever he felt about the countrified part of him. Brian will always be remembered and loved by those who knew him.
